Permission

Barracuda Backup

App publisher website: cudacloud.onmicrosoft.com

Barracuda Backup needs permission to:

- Read and write user files ?
- Read user files ?
- Have full control of all site collections ?
- Read and write items and lists in all site collections ?
- Read and write items in all site collections ?
- Read items in all site collections ?
- Sign in and read user profile ?
- Read and write directory data ?
- Read directory data ?
- Access the directory as the signed-in user ?
- Access mailboxes as the signed-in user via Exchange Web Services ?
- Use Exchange Web Services with full access to all mailboxes ?

You're signed in as: `admin@cuda365.com` (admin)

If you agree, this app will be granted the specified application permission(s) to resources belonging to all users in your organization, and delegated permission(s) to resources belonging to the signed-in user. [More details](#)

Accept Cancel

Customer grants the permission.

Configuration

This page is used for advanced configuration: tabs, retention policy, schedule, etc.

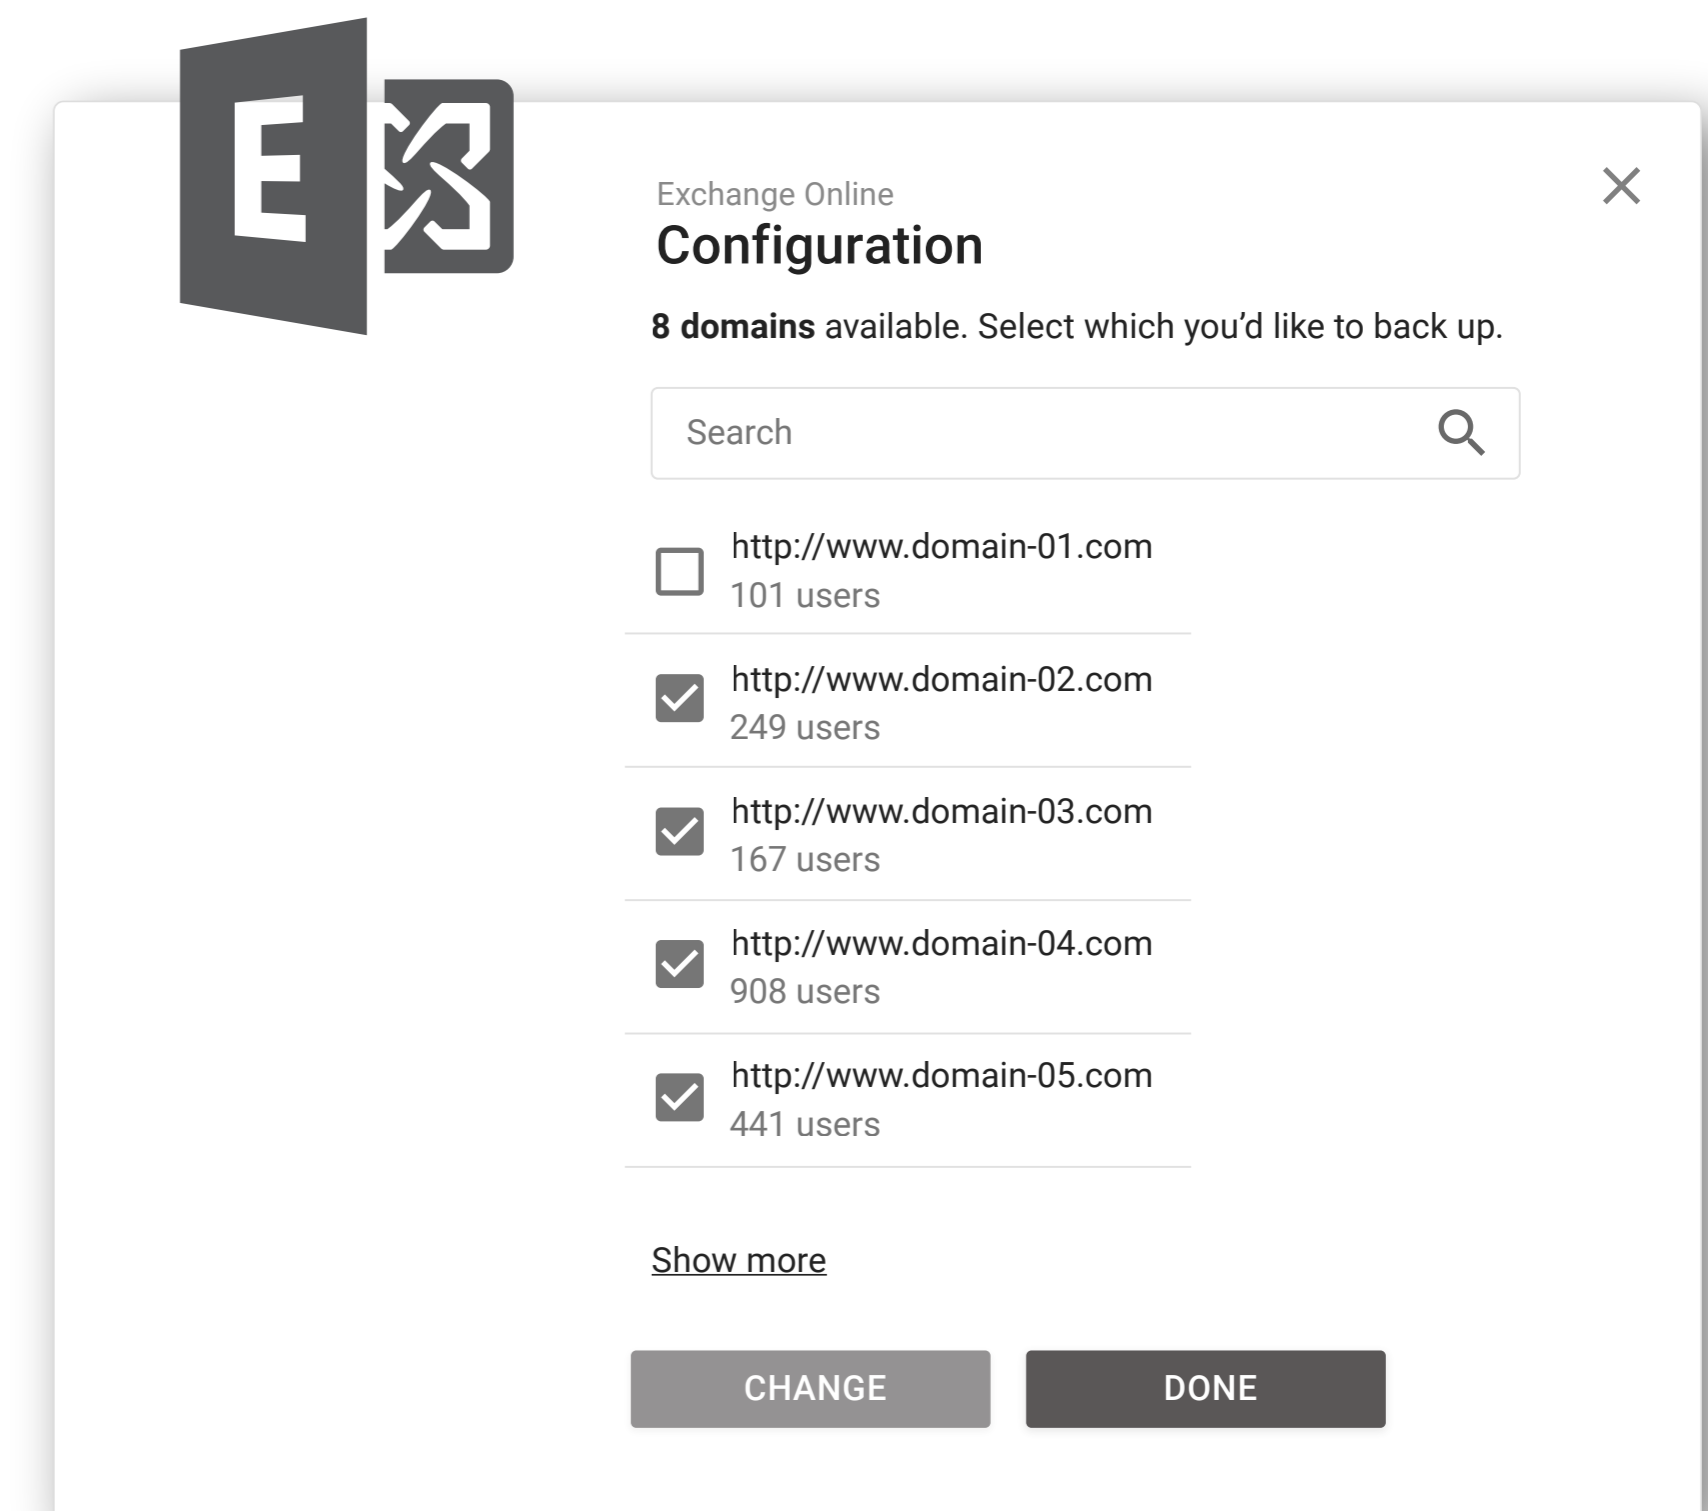

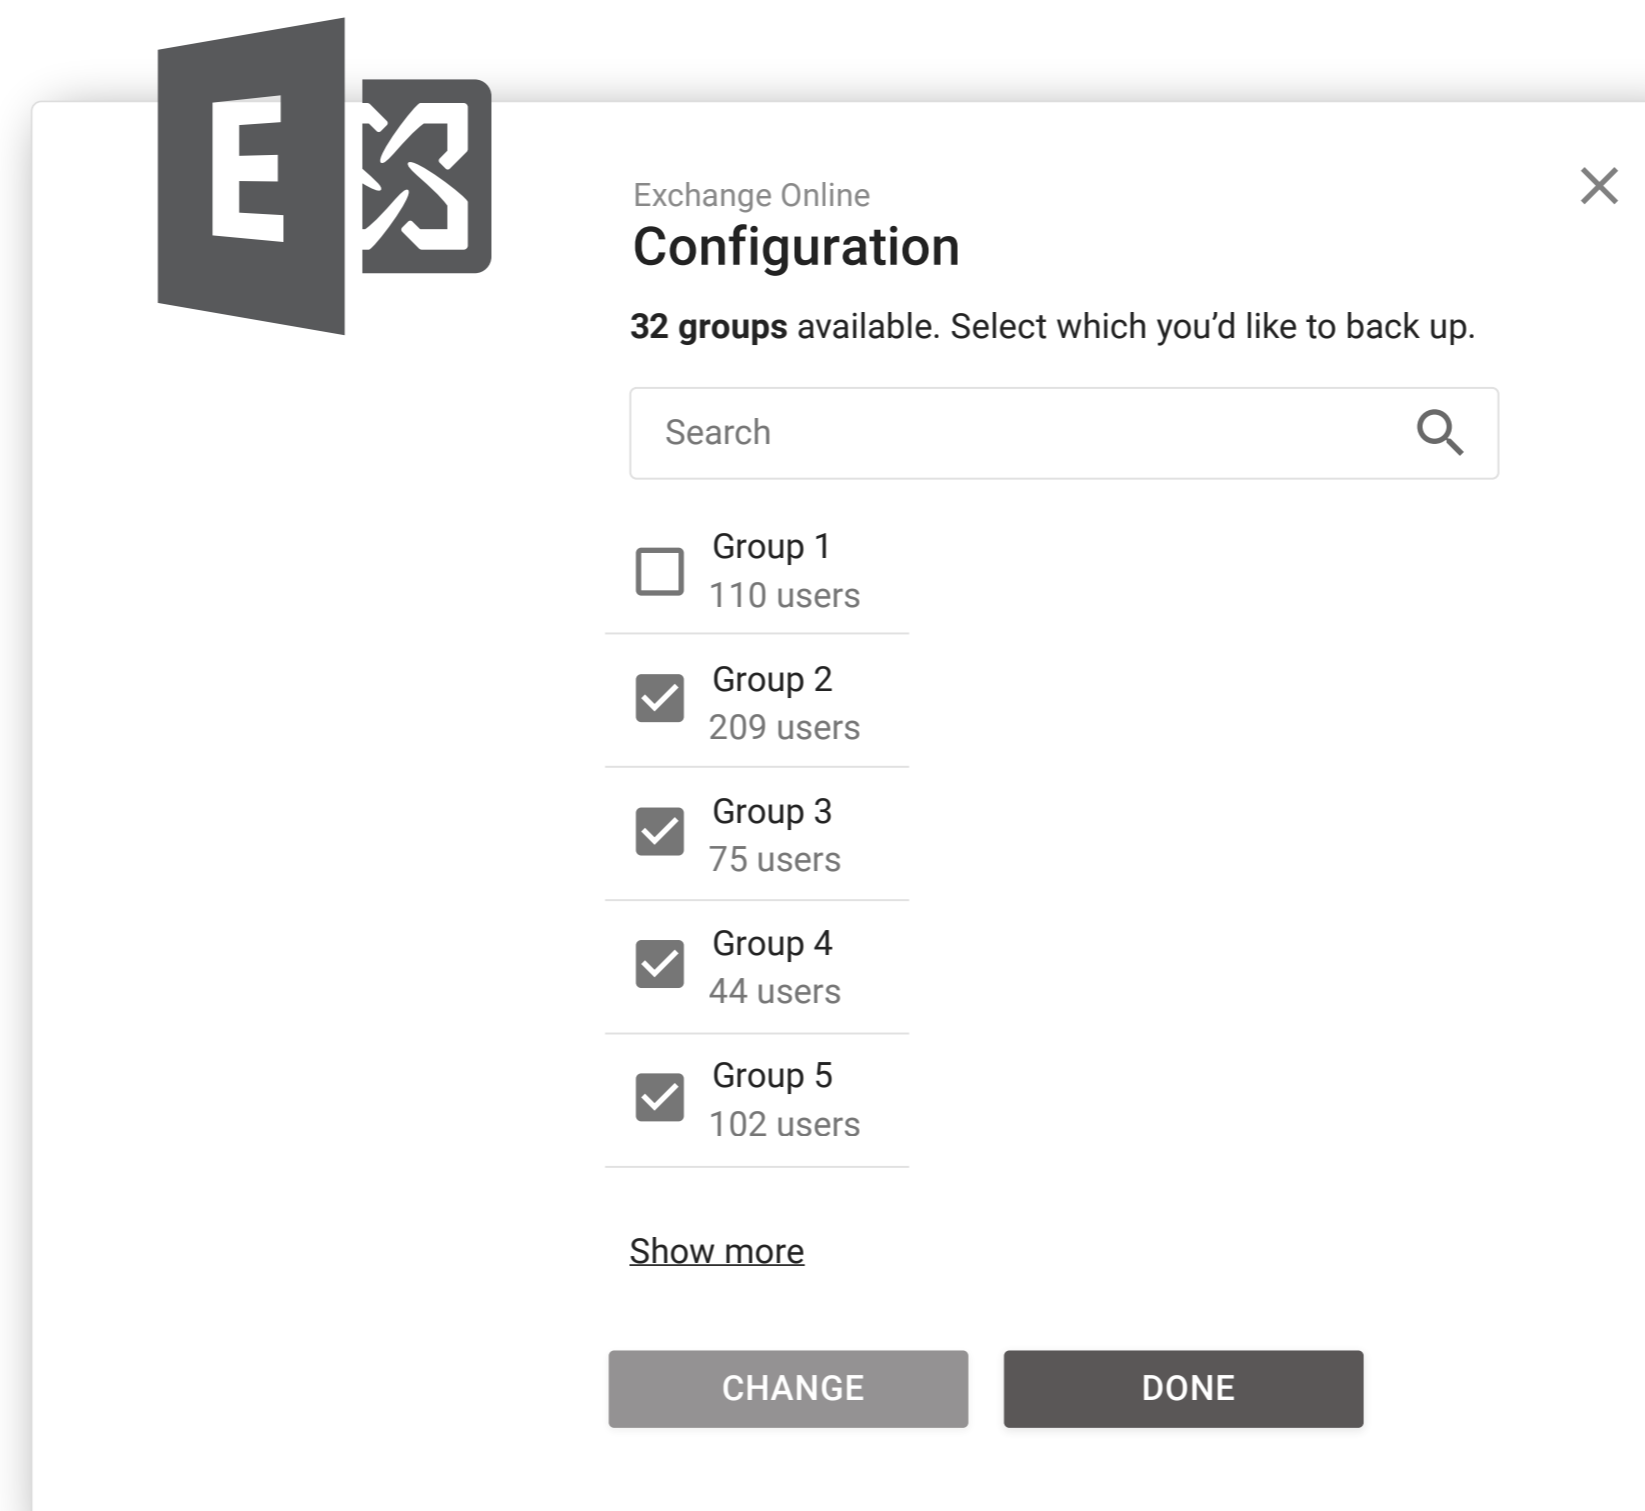

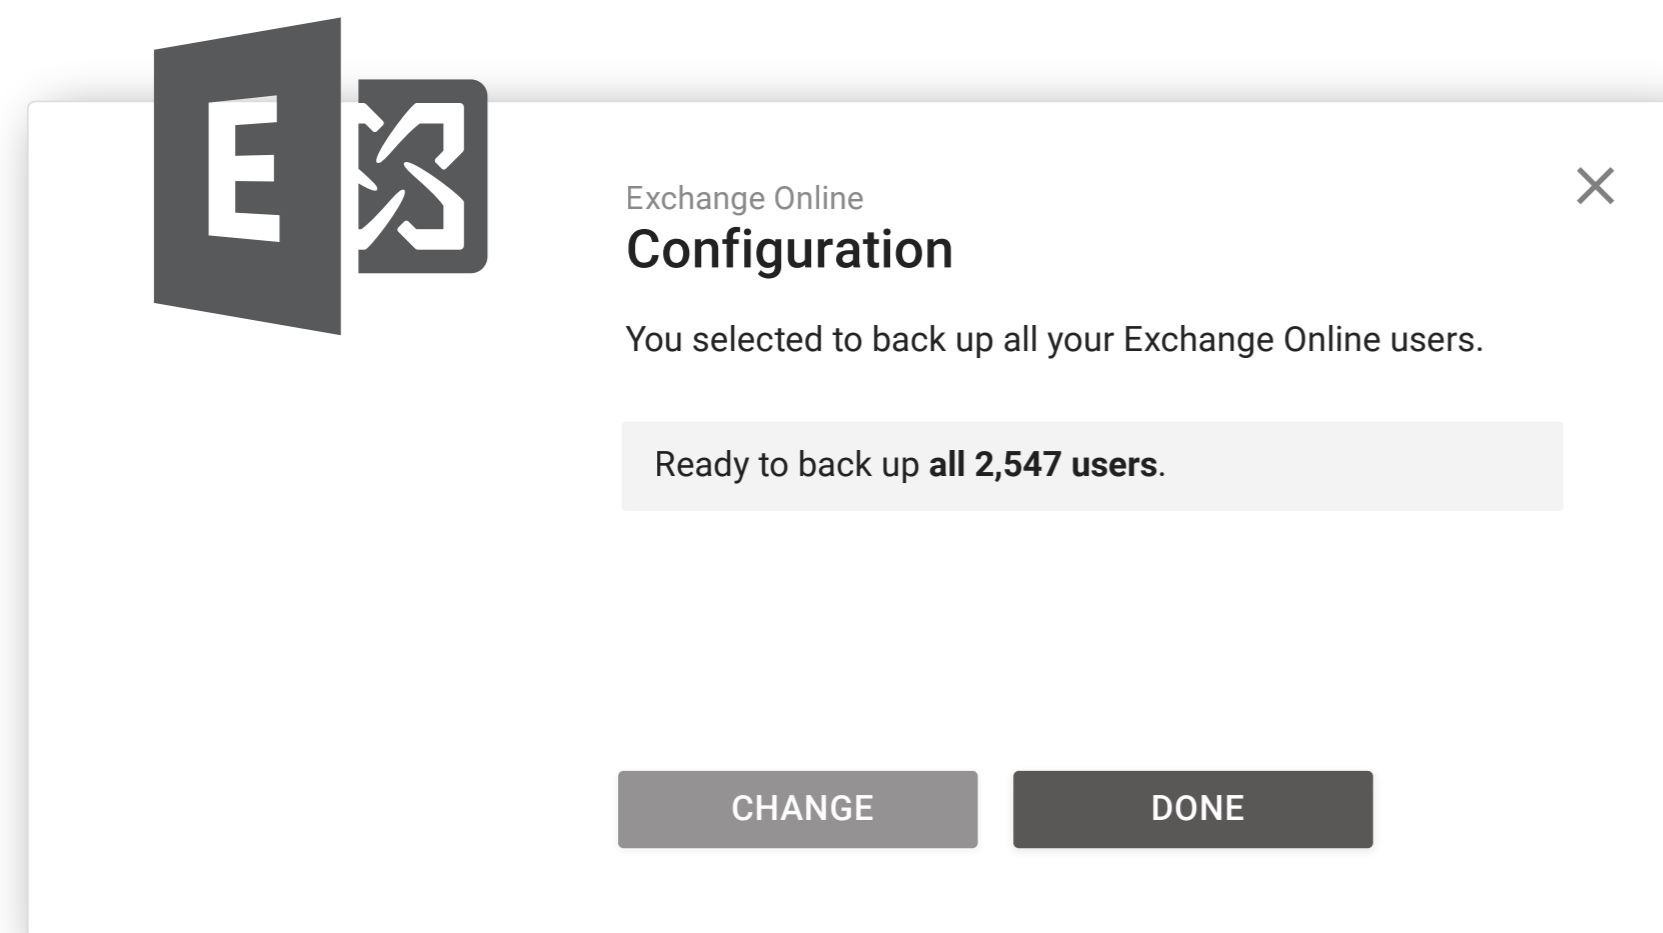

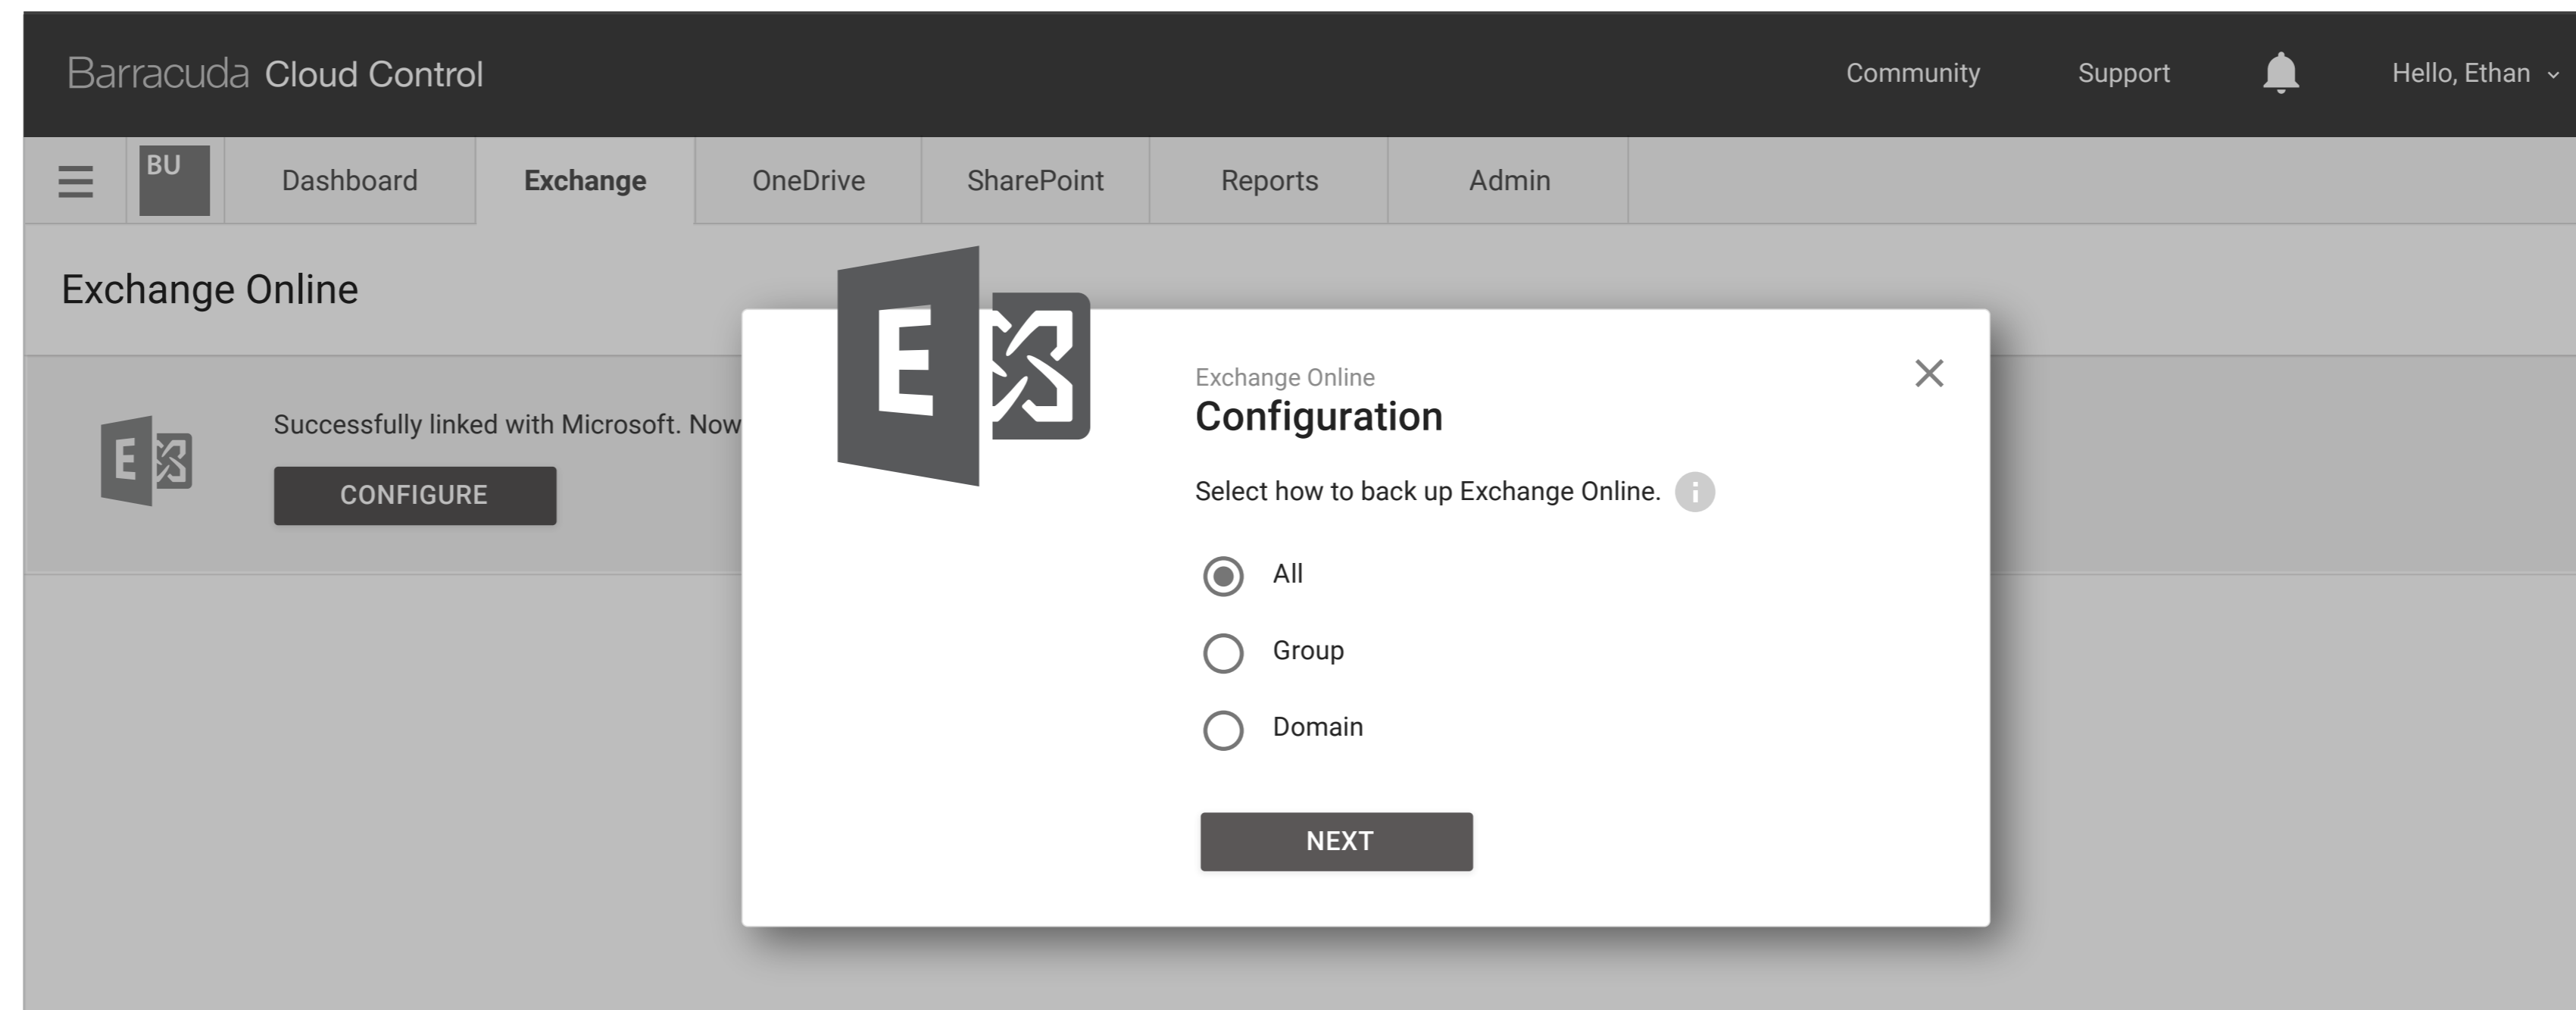

The screenshot shows the Barracuda Cloud Control interface. At the top, there is a dark header with the text "Barracuda Cloud Control" on the left and "Community Support" with a bell icon and "Hello, Ethan" with a dropdown arrow on the right. Below the header is a navigation bar with a hamburger menu icon, a "BU" tab, and several menu items: "Dashboard", "Exchange", "OneDrive", "SharePoint", "Reports", and "Admin". The "Exchange" tab is currently selected. Below the navigation bar, the main content area is titled "Exchange Online". It features the Exchange logo on the left and a message on the right: "Successfully linked with Microsoft. Now let's configure Exchange Online and start backup." Below this message is a dark button labeled "CONFIGURE".

When customer returns to BCC, the Exchange page is presented, and they can also choose other applications.

The screenshot shows the Barracuda Cloud Control interface with the "OneDrive" tab selected in the navigation bar. The main content area is titled "OneDrive for Business". It features the OneDrive logo on the left and a message on the right: "Successfully linked with Microsoft. Now let's configure OneDrive Business and start backup." Below this message is a dark button labeled "CONFIGURE".

The screenshot shows the Barracuda Cloud Control interface with the "SharePoint" tab selected in the navigation bar. The main content area is titled "SharePoint Online". It features the SharePoint logo on the left and a message on the right: "Successfully linked with Microsoft. Now let's configure SharePoint Online and start backup." Below this message is a dark button labeled "CONFIGURE".
