CudaDrive.com
Active Directory UX v1
PREPARED BY ETHAN KIM • LAST UPDATED ON OCTOBER 19, 2015

CudaDrive.com

Groups

Add "Source": "CudaDrive" or a host name.

Add "Users" and indicate how many users are for each group. And indicate when a group was created.

DRV CudaDrive   + ADD GROUP

Groups

☐ Name ▾   Source   Users ▾   Created ▾

Home
248.5 GB of 1 TB used Upgrade

Add the "DRV" icon only when AD is being used. See page 7 for details.

☐ Everyone   CudaDrive   1   2015-11-05   ›

👥 Shared   181 files
★ Favorites   65 files
🗑 Deleted   13 files
🖥 Site Server   1 server
⚙ Settings ▾

This shows all users of each group.

Add "Active Directory" and rearrange the menu order as shown here.

All files   1,247 files
Groups   1 group
Users   1 user
Active Directory   0 host
Account

This launches the "Add group" popover and the menu should be selected.
